

## Hothead Games Launches Rivals at War: 2084

*Take a galactic tour of duty across the universe in a new futuristic combat adventure*

**Vancouver – July 23, 2013** – Leading Canadian developer Hothead Games announced today that *Rivals at War: 2084* is now available for iOS and Android devices. In this new installment of the popular card-based combat game, *Rivals at War*, players take the action into another solar system where rival factions battle it out for control of the universe. Do you have what it takes to train your squad of Space Marines and become an unstoppable force?

The year is 2084 and the galaxy is in chaos. Humanity has discovered alien technology allowing space travel between the planets, opening up the universe for exploration and conquest. Forces around the solar system battle for supremacy, but one leader must rise up to unite the galaxy against all intergalactic invaders. Welcome to the ultimate sci-fi adventure, *Rivals at War: 2084*.

TRAIN an elite team of space marines. EQUIP these soldiers with weapons, helmets and armor for epic battles. ATTACK rival teams from around the solar system. CONQUER the galaxy, one planet at a time. FIGHT for victory and rule the universe!

### **Key features of the game include:**

- Star Map Story Mode - plot your conquest of the galaxy across 75 different planets
- Rivals Mode - challenge your Facebook friends and go to war in head-to-head combat
- Daily Campaigns - crush the competition across three different skill levels to win rewards and prizes
- Strategy and tactics - select powerful tactic cards to influence each battle and overcome your opponents
- Player Achievements - progress through the game by completing over 45 special achievements
- Challenge Rivals Worldwide - play in 10 different languages

*Rivals at War: 2084* is now available for free through the iTunes and Google Play app stores. The game supports 10 different languages, including English, French, Italian, German, Spanish, Korean, Russian, Brazilian Portuguese, Simplified Chinese, and Traditional Chinese.

### **About Hothead Games**

Hothead Games is one of Canada's largest independent game studios. Founded back in 2006, when our Hotheads barely had cold feet, our goal was nothing less than total world domination. We continue to strive for entertainment in all things, including our award-winning mobile game catalog, our company culture, and even this self-aggrandizing boilerplate that you're reading right now.
