

## Shiny New Pure Pool Xbox One Screenshots

**October 21, 2014** -- Indie developers VooFoo Studios and publisher Ripstone have announced today that their critically acclaimed pool simulation game; *Pure Pool* is cued up for launch on Xbox One and will be available for fans to download soon. Take a look at the latest screenshots [here](#)

Improving on the unprecedented formula of the critically-acclaimed *Hustle Kings*, the team at VooFoo Studios has achieved a whole new level of realism in *Pure Pool*. Boasting the most authentic pool experience on the market; *Pure Pool* offers players the opportunity to experience a living, breathing pool hall - all from the convenience of the couch.

Players can look forward to live online Multiplayer; competing against worthy opponents in both head-to-head matches and in global online leagues. *Pure Pool* will also track individual gaming-styles, creating a unique DNA profile as they play. It's even possible to play against AI renditions of friends and foes when they're not online.

Whether you prefer to spend your time playing solo or weighing up against the competition, connect and prepare to be blown away by the next best thing to real life Pool.

Release date and pricing information will be announced in the coming weeks. In the meantime, you can check out those new screenshots in the [Pure Pool press kit](#) as well as the trailer: <http://youtu.be/nPCaH04186M>
